EDUCATION INFORMATION HOTLINE

This 1-800 system provides valuable educational information on eight specific programs by DOD to all Service components.

Persons connecting to this system can receive educational program information ranging from tuition assistance to educational benefits for family members and DOD civilians. Individuals may receive a fax of the desired information from either the general education topics or from one of the seven Service-specific education responses or just listen to the pre-recorded information. Information is updated semi-annually. The telephone number for the Education Information Hotline is 1-800-482-4533.

DEGREE COMPLETIONS

If you have completed the requirements for a degree from on-base schools, local schools, or distance learning programs, it is imperative that your Navy College Office is informed of any degree completions. Your educational accomplishments are noteworthy and important to the viability of the Navy College Program.

If you have not informed Navy College of your most recent educational accomplishment-degree completions at all levels, please bring a copy of your diploma to your Navy College Office, Bldg. S-241, for inclusion in the Navy College Management Information System.

DANTES/CLEP TESTING PROGRAM

Navy personnel may take DANTES and CLEP exams to earn credit toward a degree program. Some advantages to participating in the on-base testing program:

- ***SAVES MONEY** – DANTES /CLEP tests are FREE to active duty military personnel and drilling reservists.*
- ***SAVES TIME** – You do not have to wait for semesters to begin and end.*
- ***SAVES EFFORT** – You do not have to take classes for what you already know.*

DANTES/CLEP exams are administered each WEDNESDAY in Building S-241, room 124 at 0800 and 1300. These tests are free to active duty military personnel and drilling reservists. Military family members and civilians are eligible to test for a fee.

UNIVERSITY OF ARKANSAS

Are you looking to get a Masters Degree? Would you like to get that Masters Degree in just One Year? Do you want that Masters Degree to have a quality name behind it? If you answered Yes to these questions then the University of Arkansas has the degree for you. The University of Arkansas at Naval Support Activity Mid-South offers the Master of Science in Operations Management degree.

What is Operations Management? *Operations Management emphasizes general and specific management and human resources operations of manufacturing and logistics, not marketing and commerce, as does the MBA. The OMGT degree prepares you to manage the processes in an organization that makes products and/or services.*

Highlights of the program:

- ◆ *Only 10 courses – 1 required + 9 electives*
- ◆ *Degree can be completed in One Year*
- ◆ *Five 8-week terms per year – you can start any term*
- ◆ *All classes offered on base in the evenings*
- ◆ *No application fee*
- ◆ *No thesis*

Along with the Master's degree, you can earn a certificate without taking extra courses. The four certification areas are:

- *Business Management*
- *Human Resource Management*
- *Industrial Management*
- *Safety and Health Care Management*

Apply now for Term 2 -- 15 October – 11 December 2003
